

May 2025 Links

Seri Scripture app, now updated with the new books (Luke, Acts, Romans, and Revelation). Get it on your phone: <https://scriptureearth.org/00eng.php> (choose Seri from Mexico, then the Read/Listen/View tab)

Review of the Araiza & Marlett textbook that just recently became known to me: <https://signoslinguisticos.izt.uam.mx/index.php/SL/article/view/411>

Co-authored journal article that contains an analysis of a text written by our Zapotec friend and SIL colleague María Villalobos: <https://revistas.inah.gob.mx/index.php/rutasdecampo/article/view/21836>

Journal article on names in the Seri culture: <https://revistas.inah.gob.mx/index.php/noroestedemexico/article/view/21833>

Co-authored web site article, on the Chinantec language family: <https://www.iifilologicas.unam.mx/genLing/>

A new series on linguistics and translation, on Google Classrooms, for SIL colleagues. Write to me if you are interested in seeing this material in PDF form.

Submitted: phonology article about labialized dorsal consonants, based on a seminar presented to the Universidad Veracruzana (Veracruz, Mexico), to *Cuadernos de Lingüística* (Colmex, Mexico City)

Submitted: sociolinguistics article about changes in Seri language use, to *Estudios de Lingüística Aplicada* (UNAM, Mexico City)

Finished: textbook for phonological analysis, in Spanish, for use in courses in Spain and Latin America, to be published this year. Now available as prepublication draft on ResearchGate: <http://dx.doi.org/10.13140/RG.2.2.18099.95528>
